On April 14, 1989, Great Oaks Sanitation Company, Inc. ("the Company"), by counsel, filed its letter of intent to place its proposed rates into effect for services rendered on and after May 4, 1989. Notice was given pursuant to 807 KAR 5:076, Section 8, which requires 20 days' notice to the Commission.

The Commission takes administrative notice of revisions to KRS 278.180, which were enacted subsequent to the promulgation of 807 KAR 5:076 and which require 30 days', rather than 20 days', notice. The Commission will accept the letter as being proper notice subject to this 30 day requirement. The Company has been verbally informed of the statutory change in notice requirements.

IT IS THEREFORE ORDERED that:

(1) The proposed rates may be placed into effect, subject to refund, for services rendered on and after May 14, 1989.
